

DEPACK FOR ADVANCED PACKAGES S.A.E.

FOOD PACKAGING

DEPACK is an Austrian-Egyptian joint venture with a state-of-the-art factory located in the 10th of Ramadan City in Egypt. With decades of experience in the rigid plastic packaging industry, the founders of DEPACK have been serving various sectors, including pharma, agriculture, food and beverages, home care, and personal care, in the Middle East and Africa regions.

OVER A DECADE
MASTERING RIGID
PLASTIC
PACKAGING, WHILE
**LEADING CUTTING-
EDGE PRODUCTION
FACILITIES.**

Our factory is equipped with **the latest technology in rigid food packaging**, and we are proud to offer a wide range of decoration possibilities to meet the diverse needs of our customers.

At DEPACK, we are committed to **making conventional plastic packaging more eco-friendly and sustainable**, and our team works tirelessly to find innovative solutions to reduce our environmental impact.

We are dedicated to providing our customers with high-quality products and exceptional service, and our team of experts is always available to help you find the right packaging solution for your needs.

The logo for 'Depack' is mounted on the upper facade of a light grey industrial building. It features a blue circular icon with a white stylized 'D' inside, followed by the word 'Depack' in a bold, blue, sans-serif font.

THE HYBRID CONCEPT

Imagine a cup that's more than just a cup. A marvel of technology that blends plastic and cardboard, bringing together the best of both worlds. With a lightweight plastic core and a printed cardboard sleeve, it's a work of art that also happens to be eco-friendly. Plus, it uses significantly less plastic, making it a sustainable choice for those who care about the planet.
